

Ed Godwin

71 Ocean Marsh &
25 Nautical Watch

I first came to Harbor Island in 1994 and bought a lot the same day I visited. The natural beauty and peace and quiet is what sold me on Harbor Island. My wife Marcia and I have been married for 25 years and I have 3 grown children. I live in Columbia, South

Carolina where I am a member of Riverland Hills Baptist Church. I come to Harbor Island very frequently. I enjoy fishing and boating with family and friends.

I have also opened and still own Godwin Motors, Inc. in Columbia. It is a used car and finance business that I started 23 years ago. I am part owner to several other businesses in the Columbia area. I believe my people skills and small business skills and experience will help me make good decisions for Harbor Island.

I would like Harbor Island to stay the way it has been with clean beaches and friendly people. I would appreciate your vote for board member and would love the opportunity to serve all Harbor Island owners.

Thank you,

Ed Godwin
