

Resolution on Interest Rate and Rebilling Charges

All assessments, fines, and other charges are due within 30 days of the receipt of the invoice or the resolution of any questions about the charge that cannot be answered within 30 days, whichever comes later.. Interest will accumulate at 2% per month thereafter. In addition, HIOA will charge a rebilling fee of \$5 for each additional bill required by a failure to pay a debt of less than \$100 on time and \$25 for failure to pay a debt of \$100 or more, not to exceed one bill each 30 days. The island manager may reduce or waive the first or second rebilling fee for good cause shown.
